

## **Bus service between Russia and Finland will be supplemented with new routes**

Lux Express announces that it will increase the number of bus routes between St. Petersburg and Helsinki from July 8, 2022

[On July 1, 2022 Finland lifted all coronavirus restrictions for entering the country](#) – now no vaccination certificates or tests are required. In this regard, the transport company Lux Express [announced an increase in the number of flights between St. Petersburg and Helsinki.](#)

Now buses from St. Petersburg to Helsinki run three times a day: at 06:15, at 11:00 and at 15:00; from Helsinki to St. Petersburg – two: at 08:30 and at 16:15. From July 8, the company will add a night flight from Helsinki at 23:50, which will operate 4 times a week from Thursday to Sunday.

Meanwhile, restrictions on leaving Russia at automobile checkpoints of the Russian border are still in place. However, from July 15, the Order of the Government of Russia No. 763-r, according to the [message of the Government of Russia dated July 4, 2022](#), will be cancelled and Russians will be able to exit Russia through car board crossing points without any special reason.
